

**4 WAYS TO
SPICE UP
LEARNING**

1. HIDE IT

- Children love to find items that are hidden.
 - Example: Hide sight words in a box or under a scarf.
- In the picture to the right, we were working on farm animals. The pig is hidden in a box under the brown paper shredded.

2. STICKERS

- Children love stickers. Use your choice of stickers and incorporate it into an activity.
 - Example: Use alphabet stickers to spell your sight words.
 - Other ideas: paper reinforcement labels or name badge labels can be used as well.

3. SPARKLE

- Glitter, jewels or anything that sparkles can be used to spice up learning activities.
 - Example decorate your sight words with jewels or glitter.

4. COLORS

- Add color to learning activities using markers, crayons, colored pencils, or paint.
 - Example: Use different colors to write your sight words.

OTHER IDEAS

- Pipe Cleaners
- Beads
- Pom Poms
- Googly Eyes
- Confetti
- Yarn or String
- Stamps or Dot Markers

- Use a voice changer app to change to different voices when reading words.
